Dear Officers and members of the household of faith

Precious greetings in the name of our Lord and Saviour Jesus. We are encouraged to know that as we abide under the shadow of the Almighty, we are safe from all harm. God truly is a present help and so we have no need to fear any situation as long as we remain faithful to him.

You may be aware of the passing of Deacon and Sister Dryden. Their funerals were held in Jamaica. It is the desire of the family to provide an opportunity for the brethren who were not able to attend the funeral to pay their tributes and final respects. We are hereby informing you of the Thanksgiving Service which will be held in their memory on Zoom Meeting Platform on Sunday 20<sup>th</sup> September 2020. Links will be sent out in advance.

The scripture reminds us that weeping may endure for a night, yet we look towards one glorious morning when Jesus will come. So as we mourn with the family, we keep in mind the blessed hope of the resurrection to a better world where there will be no more death. Let us therefore comfort one another with these words.

Yours in the Master's service

Pastor Robert Crawford
